A health profession is broadly defined to encompass the many and varied health-related careers, ranging from nursing and dental assistant, to health education, allied health, therapy, to dentistry and medicine. Enrollment can be in an undergraduate, graduate or certification program at an institution of higher education. Students at any phase in their post-secondary education can apply. This scholarship is not limited to graduating high school seniors or "new" students. Applicant must apply for financial aid which you are eligible for (ex. PHEAA). Scholarship amounts will be determined on an individual basis.
